

# Welcome to Stickerpacks Guidelines

Updated on Jan 10, 2019 | V1.1

# Artboard Size

Artboard size should be  
**1024x1024 px**

All sizes are in pixels

Use color model: sRGB

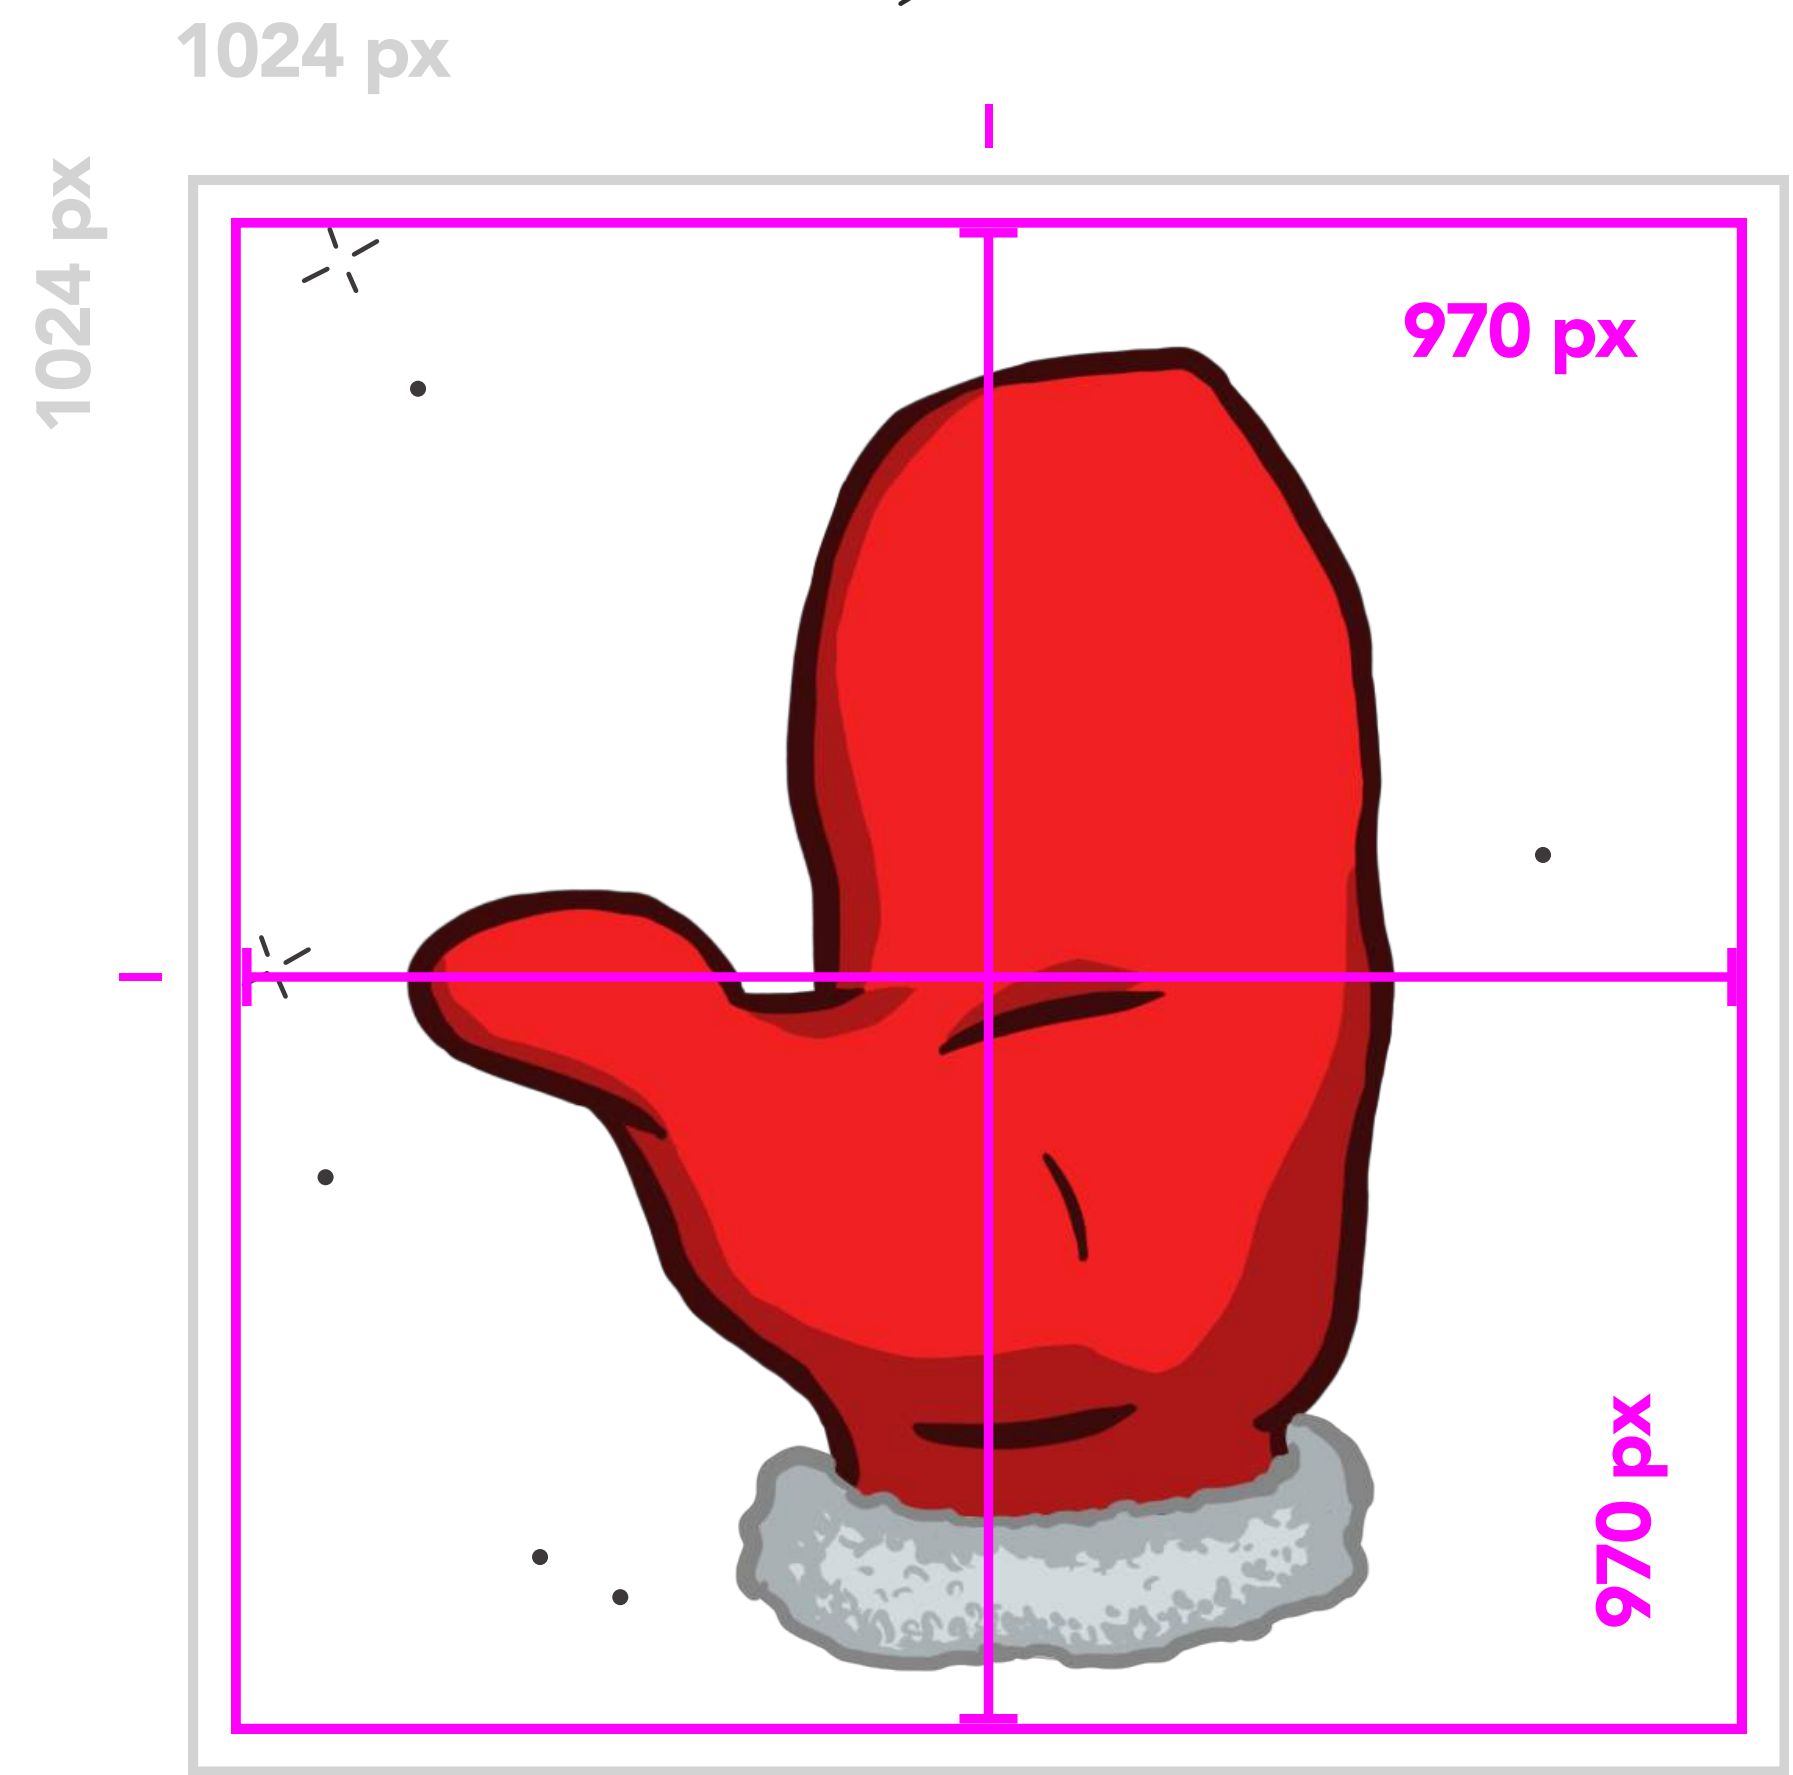

1024 px

1024 px

# Boundaries

- Classic proportions:  
sticker/white space = 1/3  
(could be smaller or bigger a little bit)
- Sticker boundaries: max **970 x 970 px**

# File Format & Size

✓ All images are submitted  
in **PNG format**

Use a resolution of at least 72 dpi

The maximum file size for each  
image is up to **1 MB (1024 KB)**

1024 px

1024 px

# Animations

✓ All images are submitted in **GIF format**

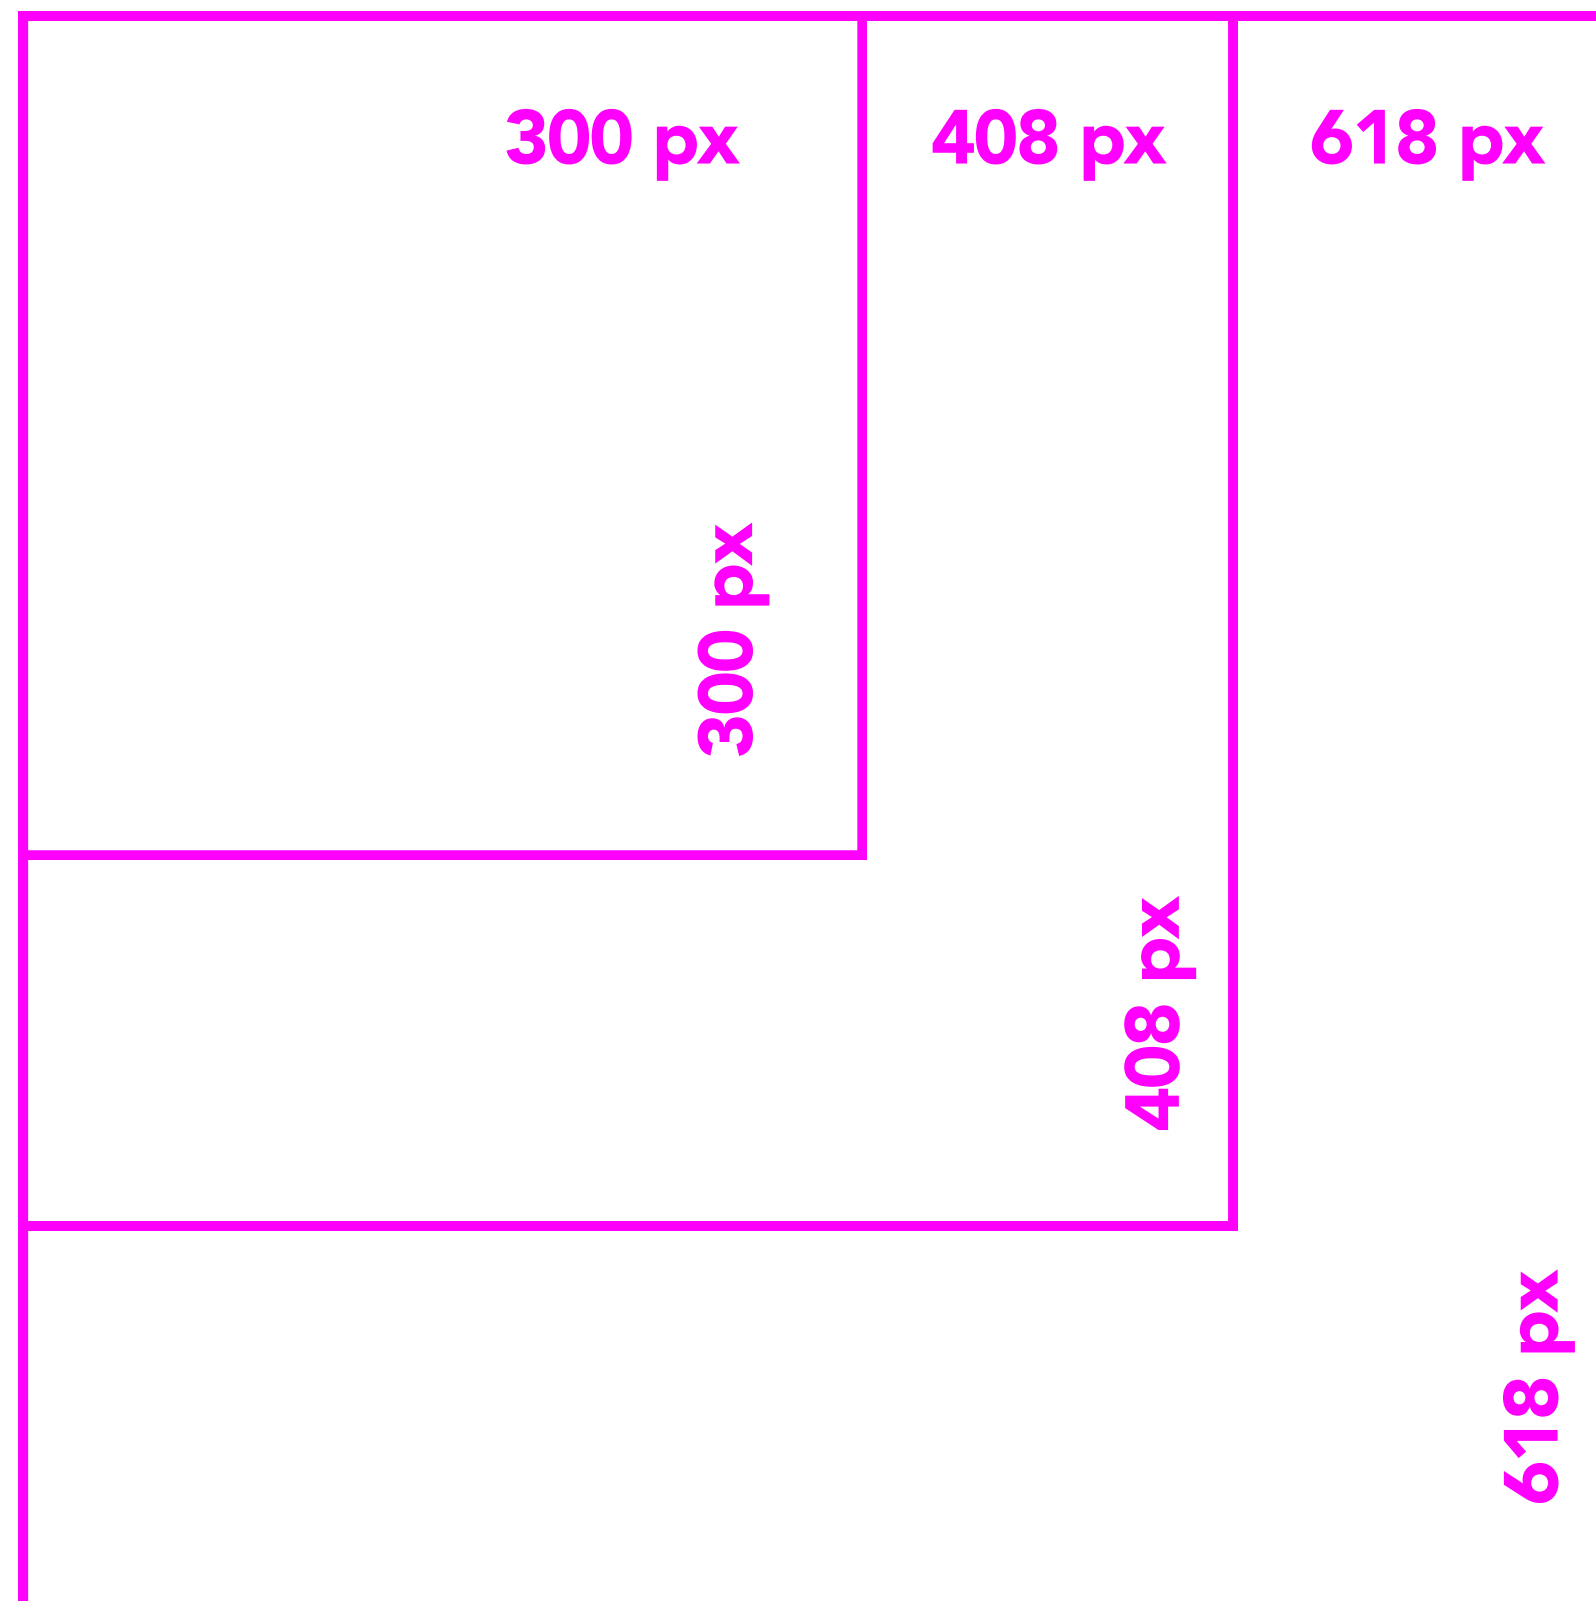

The maximum file size for each image is up to **512 KB**

## Number of Frames:

Up to 500, but usually depends on animation loop.

## Three different file sizes:

1. 618 x 618 px
2. 408 x 408 px
3. 300 x 300 px

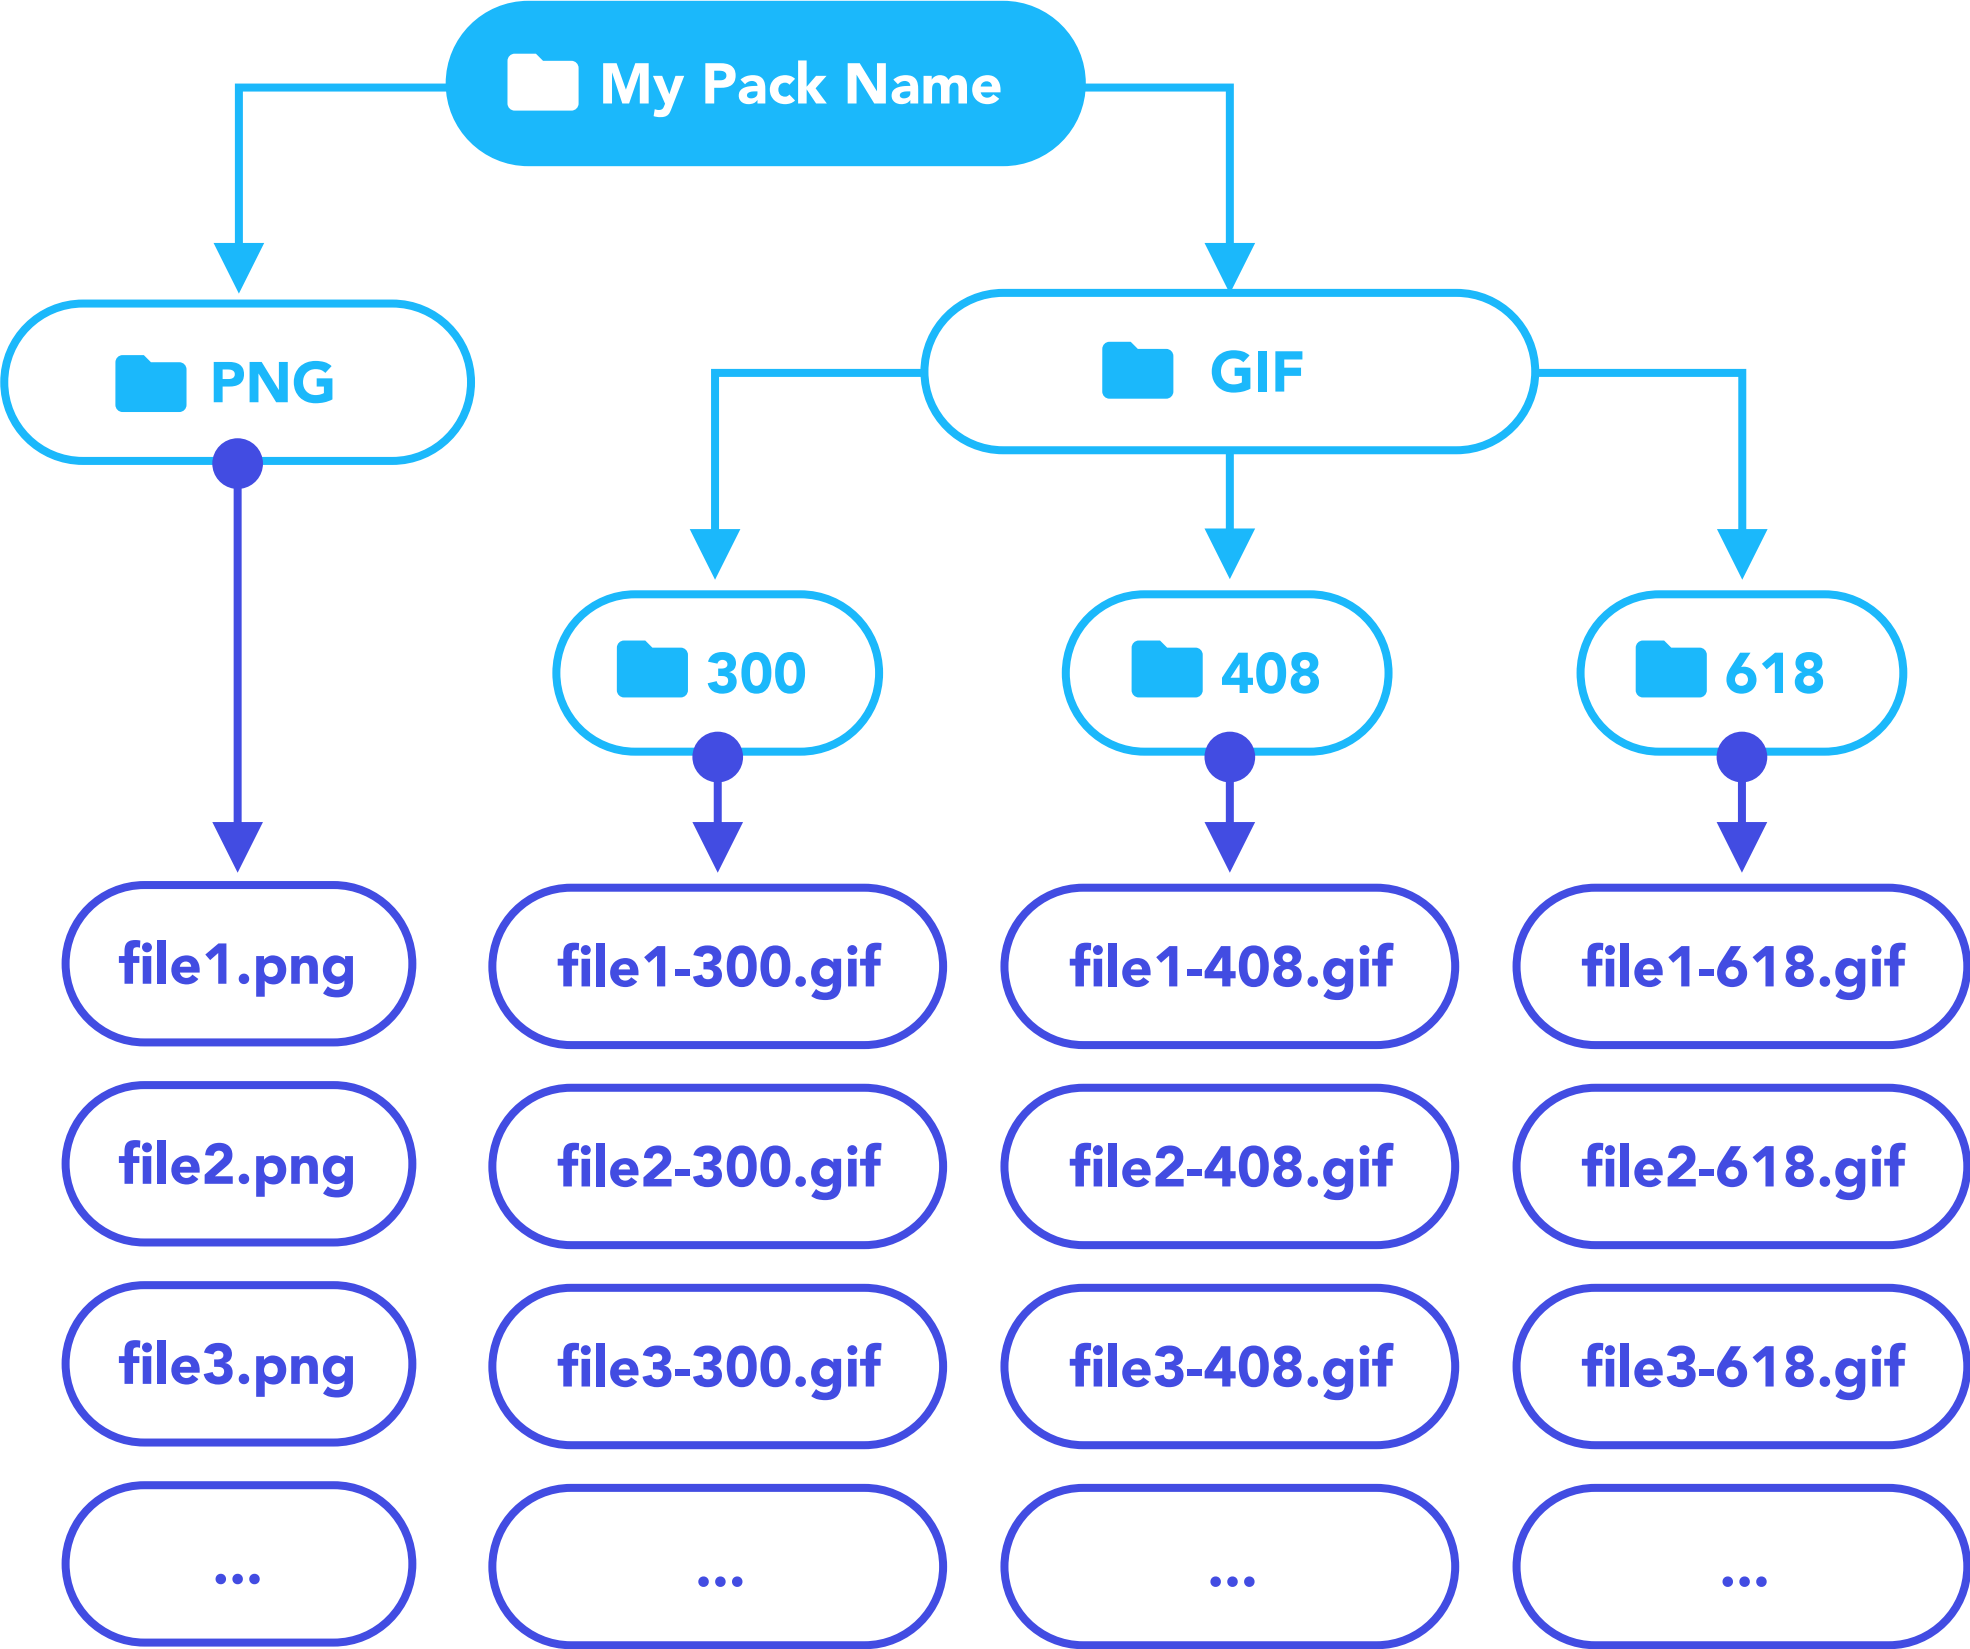

# Organizing Files

Always give name to your file in lowercase without space, use dash instead

**Example:**

my-file-name.png

Use **Folders** to organize your files by type and size
